Vancouver, B.C. – Art Vancouver, Western Canada's largest international art fair is once again uniting the world through art, held at the Vancouver Convention Centre West on May 4–7, 2023.

Art Vancouver's vision is a noble one that seeks to use the universal language of art to connect people from different parts of the world and to promote a sense of global community. By bringing together artists and galleries from across Canada and around the world, Art Vancouver aims to showcase a diverse range of contemporary artwork that reflects the unique perspectives, experiences, and cultures of each participating artist.

Art Vancouver marks its 7th edition, welcoming 100+ exhibitors, making Vancouver a destination city for artists, collectors and art lovers alike. Unique to this year, is a panel discussion about the intersection of Artificial Intelligence and art, providing valuable insights and perspectives from experts in the field.
