Elena Bulatova

Russian born California resident Elena Bulatova divides her time between painting and running her own gallery in Palm Springs. The Yale graduate who began painting early in life is well known in the desert art mecca for her own and the other widely collected works she exhibits in her Backstreet Art District studio gallery - Elena Bulatova Fine Art.

Since her arrival in Palm Springs, her career has exploded. Bulatova's work is now in many private collections in the USA, Canada, Mexico, Australia, and Russia. In 2015 she won Best Local Visual Artist in CV's Best of Coachella Valley. Architectural Digest recently featured her as an 'artist to watch'. Her work is included in the International Contemporary Masters II which reviews artists and art trends globally.
